

IEEE

Patron Prospectus Virtual Symposium

July 5 – 10, 2020

BENEFITS

The 2020 IEEE AP-S Symposium on Antennas and Propagation and CNC/USNC-URSI joint meeting will be held from July 5-10, 2020, with all material available until August 2, 2020. The symposium and meeting are co-sponsored by the IEEE Antennas and Propagation Society (AP-S), and both the Canadian and U.S. National Committees (CNC/USNC) of the International Union of Radio Science (URSI). The technical sessions, workshops, and short courses will be coordinated among the groups to provide a comprehensive and well-balanced program that will promote the exchange of information on state-of-the-art research in antennas, propagation, electromagnetic engineering, and radio science. This symposium generally attracts attendees from approximately 50 countries.
